

March 2023

Daiwabo Rayon Co., Ltd.

Statement of agreement with International Day of Forests 2023

Daiwabo Rayon Co., Ltd. having its registered office in Chuo-ku, Osaka, Japan, represented by Kazunari Fukushima, President (hereafter referred to as “our company”) is express the agreement with International Day of Forests on March 21, 2023.

Forests matter in so many ways. They clean the air, filter water, keep the climate stable, and are home to millions of people, and countless species.

In November 2022, the Company achieved the Green Shirt in the Canopy Hot Button Ranking(*) published by Canopy, a Canadian forest protection NGO.

we are proud to continue our work with Canopy to accelerate the production of Next Gen solutions and support the conservation of Ancient and Endangered Forests all around the world.
